

Belief and Trust
John 13:36-14:6

Let's consider two important words in the vocabulary of heaven: belief and trust. Belief is choosing to accept something as _____. Regarding spiritual things it involves that which can't be _____ by the senses. Trust is the _____ that follows belief. It is _____ something because we believe the unproven. John 13 tells how Jesus asked His disciples to trust Him when facing life's most challenging moment: death.

The disciples had to decide how they would respond to Jesus' death. Would they risk _____? One they could no longer touch and see? Or would they decide to put their trust in something more visible, more tangible, than _____ by a crucified messiah?

They chose to put their trust in the _____. He spoke, and that made all the difference. Not only was their trust rewarded by making them _____ to Jesus' resurrection, but Peter and John and James and the others are enjoying the _____ of _____ today because they trusted the words spoken by THE WORD.

What words? What specific truth did Jesus ask them to believe in and trust? 1st, that there is something _____, something _____ this life, and it was created by God for His creation.

Jesus said the eternal life was like our _____. When we get there, it would feel like _____ where we _____.

The 2nd truth Jesus asked us to believe and trust Him about is that He is _____ to the Father and the Father's house. Romans 10:9 refers to 2 things that must happen for us to receive the salvation to eternal life Jesus offers. The belief part is believing in the _____ of Jesus. And we must confess that Jesus is Lord—make _____ a tangible _____ to follow Him. That's the trust part.

Bear Grylls, the host of Man vs. Wild and an expert at survival skills once affirmed, "When you get a chance to be _____, you gotta _____ it." That's what I am asking you to do today.
