

Dear Crossroads Family,

This coming Sunday will be a special Sunday at Crossroads. We will be recognizing our High School graduates. These students have worked hard for this major achievement. They and their families deserve some recognition and the support of their church family. You can help us do that this Sunday.

Additionally, our Student Pastor, Mauricio, will be bringing the morning message. He has prepared a powerful message from Acts 8:26-38 about the unstoppable advance of the gospel. I know we will all appreciate and be challenged by what God has to say to us through Mauricio. God has blessed us with such a fine young minister to lead our Youth Ministry.

During our Young at Heart program this past Thursday, we had a great program provided by some of Crossroads own Ukulele players and "hula dancers!" (That's not a typo. I wrote "hula dancers.") Thanks to all of you who worked so hard to make that fun time of food and fellowship so meaningful. Our focal verse at the end of the fellowship was Hebrews 10:25a which says, "let us not neglect our meeting together, as some people do." So, this Sunday, remember that verse and make sure you are together with your church family for Bible study and worship. It will be a great day in the Lord.

See you Sunday!

Love,

Bro. Doug
