

Dear Crossroads Family,

We are in for a special treat this Sunday - Kevin Flowers will be sharing a message from the Lord. Kevin is no stranger to Crossroad because he served for many years as our Youth Pastor. He now serves as the lead pastor for one of the fastest growing congregations on the northwest side of San Antonio, Alamo Community Church, which began here at Crossroads. Kevin consistently brings a timely, relevant message from God, and he is a good friend of mine. We are grateful for what God is doing through Kevin. Come ready to hear from the Lord and be blessed!

Installation of our new sanctuary sound system has begun and is progressing as expected. The work should wrap up next week.

Pastor Doug and Angela are enjoying their sabbatical. We miss them and continue to keep them in our prayers.

As we close out the month of July today, and look forward to all the offerings of August, please be in prayer for teachers as many of them return to work Monday and the children as they start back soon after that. It is hard to believe that summer is over - at least for the school break, but definitely not for the heat!!!

I hope to see you all this Sunday for Worship and Bible Study.

Love you all,
Bro. Stuart
