

ANIMAL ADVENTURE

HOMESCHOOLERS VISIT LOCAL ZOO

STUDENT THOUGHTS

On the 13th of February, we went to the zoo, It was pretty exciting. We saw a lot of animals: two bald eagles, lions, bears, snakes and even a kamodo dragon! We also saw a jaguar and it was walking in the cat-walk bridge.. it tried to pee on us! Elaina said that she liked the flamingos, Gael liked the gorillas and Mrs. Jessie said the okapi was her favorite. Everybody agreed that it was a great time and a lot of fun to see all of the animals.

STUDENT INTERVIEW

Hello everybody! I'm interviewing Judah today,. "What was your favorite part of the trip?"

"Judah: "The reptiles."

"What was your least favorite?"

Judah: " Walking on and on"- I agree with this! Judah said the gorillas weren't his favorite but I really liked them a lot. That is all for my interview- bye bye!

SPECIAL EVENTS

A Night with My Dad

Lights, Camera, Action! Oh, hi everybody and welcome back to the Recap Corner. I'm Arya, your host for today. I'm super excited because the Daddy Daughter Dance was a few days ago! Now, enough talk from me- let's hear what my interviewees, Paelina and Luna, have to say.

So, what was your favorite part?

Luna: "Probably the food."

Paelina: " Food, or maybe...." (she didn't finish that question)

Luna said she loved the fruit and Paelina said she really liked the chicken. My next question is one that is relatable for many of us: "Is your dad good at dancing?"

Both of them stated very boldly "NO" but afterwards Paelina said "Just kidding, but my dad doesn't really like dancing."

"Who is this years best duo?" Paelina said she thinks everyone was good and Luna said "Probably Freya and her dad." Dest dad or not, i thnk everyone had fun!

- Arya

**RODEO DAY**

The petting zoo was tons of fun! They had babydoll sheep, chickens, a duck and bunny rabbits. We enjoyed petting the animals and asking the owner about them. One of the chickens kept trying to escape. Mrs. Jessie said she wants to own babydoll sheep eventually. After the petting zoo, we got to go hang out in the gym and play games. Some of our class was sent to jail. Our favorite part was the bouncy houses but we didn't like having to take turns. We wanted to all be on it at the same time but the teachers said that wouldn't be safe.

ROUND UP FOR JESUS RODEO DAY

Rodeo Day was exciting. The weather was nice. Most of our class dressed normal but some classes had students wearing country western outfits. We always have fun doing special event days. Most of us wish we could skip lessons on those days but we have to do our work still.

Winter Wonderland & Field Day

The groundhog has predicted six more weeks of winter but I don't think that applies to San Antonio. It is already really hot here and we have not had any snow and barely any cold days. Our class really enjoyed Field Day. During the water balloon toss, we threw a few balloons at Mrs. Joanne and got her all wet. The three-legged race & the balloon pop were a big hit.

Joke answers:

KITCHEN UPDATES

This year, we had the blessing and provisions to make some much needed improvements to the kitchen in the Faith Building. This kitchen serves our MDO and Homeschool partnership, teachers, staff and the church body in numerous ways. We are thrilled that these renovations will allow us to better serve our ministries. We are especially looking forward to using the space more for our cooking lessons and staff appreciation.
